Dear Bunk n Biscuit Employees and Owner:

I just want to say that even though it was raining all weekend of the Dog Diving Competition, We enjoyed it to the utmost.

We have to express our appreciation for your business and grounds. You are meticulous in all your work that we saw and when I ask your employees how they liked their jobs there, they all said they enjoy it and wouldn't change jobs for any other. What a proud accolade that says about your business and you as an owner and a person. We would also like to say that we would like to come back anytime you have another event and need us.

Thank you once again,

Marge and John Rivera
